INT. HOUSE - NIGHT

CHRIS (21), sipping on a cup of something strong, stands by a table - on top, there are big bowls of party snacks, drinks of both alcoholic and non-alcoholic nature, and confetti that had been sprayed onto the unsuspecting crowd minutes earlier.

He stands looking out on a crowd of slightly more than buzzed twenty-something year olds dancing happily to the music. His eyes wander not looking for anything in particular finally landing on a smiling girl, JACKIE (21), swaying ever so slightly to the beat.

JACKIE, who had been watching her friends dance only seconds ago, looks up and right at CHRIS as if she felt his eyes on her.

CHRIS quickly looks away, closing his eyes in hopes that she had not caught him staring. JACKIE smiles and walks away from the spot she had been glued to all night long headed straight for him.

CUT TO BLACK.

INT. HOUSE - NIGHT

JACKIE and CHRIS look at one another. CHRIS with a timid smile on his face and JACKIE looking unblinkingly into his eyes.

She grabs CHRIS'S hand and they move to the dance floor. JACKIE starts swaying, putting her hands around CHRIS'S shoulders. CHRIS follows her lead, hesitating before placing his hands right above her hips.

JACKIE laughs and CHRIS smiles, they begin dancing with more enthusiasm - following the flow of the music.

CHRIS, now more comfortable, spins JACKIE around.

CUT TO BLACK.

OVER BLACK.

CHRIS (V.O.)
Hey Jackie - long pause - I'm sorry I know you said we shouldn't talk. I just... I just missed you, I guess.

CUT TO:

INT. BEDROOM - DAY

CHRIS looks over at JACKIE, asleep next to him. He smiles and kisses her cheek. JACKIE opens her eyes with a sneaky grin and turns over to kiss CHRIS, surprising him.

CHRIS (V.O.)
I don't know. I just wish I could see you, be around you.

MATCH CUT TO:

INT. HOUSE - NIGHT

JACKIE and CHRIS laugh as they dance around each other. Throwing their hands into the air, bumping into the people around them. CHRIS pulls JACKIE over to him.

CHRIS (V.O.)
I know you aren't going to listen to this and I'm sorry I don't mean to disrespect your wishes.

CUT TO:

EXT. NORTON SIMON MUSEUM - MORNING

JACKIE walks through a garden of sculptures, inspecting their intricate forms and shadow like appearance. She looks back at CHRIS, imitating the stance of the staue in front of her. CHRIS laughs.

CHRIS (V.O.)
You remember when we used to go out all the time. Before we met I don't think I had stepped foot outside of (PART OF LA).

CUT TO:

INT. HOUSE - NIGHT

CHRIS and JACKIE, now feeling almost dizzy from all the dancing and laughing, smile wildly at one another. They dance, paying no attention to the space they take up or how bad they actually are at dancing.

JACKIE grabs CHRIS'S face bringing his nose as close to her's as possible without touching.

For a moment, they look at one another like this. JACKIE, with a more serious expression and CHRIS with a slightly nervous, slap-happy look on his face.

A few seconds pass this way, with JACKIE studying CHRIS'S face and then, as if some decision had been made, she smiles wide and starts dancing again.

CHRIS, confused, takes a second before joining her again.

CUT TO:

EXT. CAFE - AFTERNOON

JACKIE and CHRIS sit at a table for two in front of a window looking out onto the town's main street. CHRIS reads while JACKIE watches him intently, sipping on her coffee.

JACKIE (V.O.)
Hey... I got your message (long pause) I don't know why I called. I um... I saw my mom today, she asked about how you are doing.

CUT TO:

INT. HOUSE - NIGHT

JACKIE and CHRIS dance.

JACKIE (V.O.)
So I guess I'm asking how you are doing? Oh and my stove broke so I have to call that guy...

CUT TO:

INT. KITCHEN - MORNING

JACKIE and CHRIS cook breakfast in their pajamas, dancing to the music playing on the speaker.

CHRIS grabs JACKIE and kisses her.

JACKIE (V.O.)
God what's his name again? I can never remember it. Umm it doesn't matter sorry...

CUT TO:

INT. JACKIE'S BEDROOM - NIGHT

JACKIE sits on her bed with her phone to her ear. She looks straight ahead with a frown on her face. Having lost her train of thought, she sits in silence.

Finally, she smiles and looks down.

JACKIE
Yeah sorry... I should hang up now. I um... (laughing) I hope you don't open this. I'll um talk to you...I'll...bye Chris.

Jackie drops her phone from her hands and rests her back against the wall, taking a deep breath.

INT. HOUSE - NIGHT

JACKIE and CHRIS end their dance as the song comes to an end. Holding each others hands, they stand catching their breath staring at one another with wide smiles.

They stand like this for a moment. And finally realizing they are still holding hands, JACKIE looks CHRIS in the eyes, gives him a sad smile, and lets go of his hands.

FADE OUT.
